to the editor Babelicious Babysitter!

I totally never thought I'd be writing to a magazine, but I gotta tell someone about last night! (Someone who won't blab to my mom, I mean.)

See, I've been babysitting for the Connors for, like, ever and it's cool 'cause the kids are nice and their dad, David, always sneaks me an extra \$20 on top of the five bucks an hour. Then they got a divorce, though, and I figured that was it, but David called last night and said he had this work emergency and could I please, please, watch the kids? Well, duh, of course.

It all went fine until David came home from work. He was all serious, like he was mad, and told me to sit down on the couch. I was freaked until, get this, he said he had a crush on me. Can you believe it? I mean, he's a total grownup and he thinks I'm cute! When he asked if I liked him, I was so excited that—this is so bad!—I just leaned over and kissed him! I've only ever kissed two guys, so I'm not very good, but David sure liked it, and pretty soon he was using his tongue and everything. Man, it was awesome, like sexy and naughty at the same time, you know?

Ha, ha, I guess that's why I ended up flat on my

20404

back on the couch with my blouse off. But, gosh, David was kissing my boobies and acting like my teeny tiny tits were so gummy, which totally turned me on. I mean, by the time he lifted up my skirt and felt my panties, I was so wet. Is that gross or what?

But then David took my hand and put it on his dick and it was way hard, so I knew he still liked me. That's why I figured he'd start, you know, doing me, but he just kept rubbing my clitty under my panties. Man, I was freaking out, squirming all over the couch and acting like a total 'ho. And then, I could not believe this, but he made me cum! I totally didn't want to do it in front of him but I couldn't help it. And I guess he liked it, cuz that's when he put his penis in my hole.

Okay, so I freaked a little when he started pushing, it kinda felt like my pussy was gonna split wide open. But pretty soon I was feeling all gooey inside, especially when he started going in and out really fast. I squeezed my pussy real hard around him and, holy cow, that's when he started cumming, pumping so much stuff into me that it was dribbling out and tickling my asshole! Totally bizarre, huh? But what an awesome way to pop my cherry!

Afterward, when he paid me (plus the extra \$20!) he asked me out for dinner. Of course I said yes. But I totally don't care about dinner, I just want to do the sex stuff again!

Wouldn't you like striped socks wrapped around your back and a teen pussy wrapped around your cock?

I used to go to private school and it was awful! We had to wear these dumbhead wool skirts and white shirts buttoned all the way up. So, of course I'm way excited that my mom finally let me go to a regular high school! I can dress however I want, and I love it! Plus, there are guys around and they're always looking at me! I can tell they're wondering what's under my dress. Sometimes – this is so bad! – I give 'em a peek. Like, I'll bend over and pretend I'm picking something up, but I'm really just letting them see my panties! And – this is the nastiest of all! – my underwear gets all wet and sticky after I show off like that! It's totally weird to say, but I really love going to school now!

And see, I've always had the biggest crush on him, plus I guess the sun was making my brain mushy. All I know was that his dick was all hard and that I was creaming just thinking about doing it with him. So I did! Everything! Like, I let him go down on me even though I was all wet and yucky. And I sucked his dick, too. Whoa! All salty and stuff. And then I let him do my cherry, right there in the backyard. Only next time, duh, I'm gonna take off my socks first!

Blowing Like a Pro!

My best girlfriend just called me a slut! All 'cause of what happened last weekend, which was kind of bad, but hey, it's not like I did the whole football team. Just two of them, and I didn't even go all the way!

See, they'd just creamed South High so I got really brave and went up to Jay (the quarterback) to congratulate him. Of course I acted all stupid and girly but he still invited me to a party, whoohoo!

At first it was weird 'cause I didn't know anybody, but then Jay and Tony (he's a defense guy or something) took me on a tour of the house. It was, like, practically a mansion, and they showed me the Jacuzzi and swimming pool and everything. And the master bedroom had this huge round bed with a mirror on top, totally retro! It even had a big screen TV.

And you will totally not guess what was on the TV: Porn! I mean, there was this girl on her knees blowing two guys. We just stood there and stared, it was bizarre. But you know what, it made me hot!

So, what the fuck, I got down on my knees just like the girl and unzipped Tony and Jay's jeans. (Hey, I said I was being brave!) They were way freaked out, especially when I grabbed hold of their dicks, which were totally different. I mean, Tony's thing was all long and skinny, but Jay's was fat and short. I totally had never given a BJ in my life. But all I did was watch the TV and I knew just what to do!

First I licked up and down their dicks, all the way to their balls, I even sucked on their 'nads! Tony and Jay were moaning and groaning just like the guys on TV, especially when I started deep throat-ing them. It was way hard, I mean, Tony's went down my throat and made me full and Jay's was so fat I could barely fit it in my mouth! But pretty soon I was feeling like a pro, like when

Tony was fucking my mouth, I'd jack Jay. It was awesome!

Then — is this cool or what? — when one of the guys on TV shot off, so did Tony. Right in my mouth! It was all salty and gushy, but I swallowed it just like the porn star. Then I started sucking Jay really hard and he popped a gallon of stuff in my mouth, too! But I squeezed really hard with my hand and kind of squeezed it all out! He loved it!

Then I looked at the movie and the girl was grinning up at the guys with cum dripping out of her mouth, just like me! I was so proud! I mean, I'd never even seen a dick up close and here I'd sucked two guys off at once. So forget my (ex) girlfriend, I am totally gonna do it again!

A man ... gotta find a man. I checked my watch — only three hours left before I was disqualified ... should be more than plenty of time, if I found a man.

Then I spotted my winning ticket. Now that was one flaw-free example of XY chromo-pairing if I ever saw one. The perky buns of a delectable male were presented to me in the hallway of the Biology building—where else? In white coveralls. Ooooooh, very sexy!

He was leaning over one of those bright yellow pail-on-rollers, his grip on a wet mop. Janitor, then. Sort of a youngish one, at least. Well, a janitor would still qualify, wouldn't it? The only rules were as follows: no oversexed seniors and no professors—at least none that might tell on you. And all my professors were musty-dusty. Besides, the sorority sisters didn't say I absolutely had to choose another student, now did they?

Janitor it is!

"Excuse me," I tapped my chosen male on the shoulder when he straightened up.

He turned around and checked me out. Showing interest was definitely a point in his favor. This was going to be a cinch!

I posed, which I do so well, thank-you-very-much. I had my long brown hair straightened out (I hate my natural curls) and my dress was one of my faves—flowery and short-short-short. Just short enough so you can see the lacey tops of my thigh-high stockings. And, therefore, a little bit of forbidden upper thighness. I positively reeked of yumminess.

He was a bit pale—the guy really should get out in the sun more—but his short hair was all over the place. Bed head. Verrry cute! And don't forget those tight buns.

"Could I borrow you for a little while?" I remembered after a beat to say, "Please?"

"What is problem?"

Ooooooo, foreign guy! Even better! Don't foreign guys do it with, like, anyone? My

not-so-educated guess had "nation of origin" as one of those Russian jobbies, with the way all his words came from way deep in his throat. Maybe he was an escapee from the Russian mob! Wow! How thrilling for me!

"I have to borrow you for an hour, 'kay? You won't be sorry. Swear." I posed again and held up my cellphone like I was swearing on trial.

"Borrow. What is for?"

"You'll see." I smiled wide and encouraging. "You'll really like it."

He shook his head so I pouted like a teenager. Well, I'm technically still a teenager—18—but I'm a freshman and college makes you older real quick. I mean it was teaching me a whole bunch of stuff every single day.

"I cannot leave post. I work." He pointed to his filthy pail.

I pinched up a handful of his coverall'ed arm (making him abandon said pail and mop) and dragged him over into an alcove where there weren't a gazillion students walking by.

"Listen," I whispered into his ear. "It's like this. It's pledge week and I'm trying to get into—" I couldn't tell him which house! That would break all the rules. "I have to take like a ... test for the sorority house I'm pledging."

He nodded, but I knew he didn't get me at all.

I leaned in super close. He stared down at my pushed up baby B-cups but that was fine by me. "The test is if I can make a guy hard and keep him hard for a whole hour, non-stop, without him losing it."

That made him look me in the eye finally. "Hard?" he asked, very clearly.

"Yup." I eyed his crotch pointedly. He totally got it then. "See, I've got my phone to take pictures and everything." I held up my cell again. "It has that handy timestamp feature, you know. We could do this practically anywhere!"

I did a quick scan of the hall. Nothing here but in-session classes and booked up labs. The sorority house wouldn't let me do him there—not

unless I was willing to have all of them watching us. I wasn't sure I was ready for that. I didn't really want to get in trouble sneaking him into my dorm but it was looking like I might have to.

"You want my penis for one hour." He said then, interrupting my location quandary, and spoken a whole lot louder than I would've liked. I covered his mouth and shh'ed him. But I nodded.

He grinned under my hand. "Come," he mumbled under there and pulled my hand away.

He led me to one of those itty-bitty closets that only a pail and mop can fit into. Maybe—just maybe—it would do.

He pulled a string to give us some 60-watt illumination. Then he locked us in, unzipped his coveralls and shoved them and whatever underwear he'd had on down past his knees. His penis was already zooming up into position. Man, this was really going to be a cinch!

"Perfect!" I flipped open my phone and took a picture of his lovely erection. Came out pretty good too. He was just as hunky cute down there. Not at all pale. Rosy red, actually. And very muscular. Did guys have to work that part of them out like they do all the rest of their fabuloso physiques? Well, this Russian bud's toy was getting longer and more muscular every second.

I wiggled my hips to shake off the little surge of what was happening in response between my own legs.

"We fuck now," he said and tossed up the hem of my dress. My almost-nothing panties were yanked down before I could stop him.

"No-no-no!" I hissed, trying to keep anyone in the hall from hearing. "No fucking. I'm—you know—still a virgin, actually. And this ... well, it's supposed to be just ... It's not about fucking. Okay? Ya?"

He looked at me like I was crazy. "Is not Ya, is Da in Russian. Da."

"Fine! Just hard. Da? I keep you hard"

He just kept looking at me like I was certifiably nutso. I decided to show him I could make this worth his while. A good sales job goes a long way. This is capitalism-on-steroids America, after all!

I could barely fit, but I knelt down in front of him in that tiny space and kissed the tip of his penis. He was really big now. Really intimidatingly big. I got another one of those super-wonderful surges in my pussy area.

"See what I mean?" I kissed his penis again, adding in a little tongue action. "I lick you or touch you for a whole hour."

He squinted at me, disbelieving, but then thrust his cock against my lips and said, "Suck, American girl."

I took another quick phone picture because that thing was so money-shot beautiful I just had to capture it.

"You're a little bigger than I thought you'd be, actually ..."

It was making me steamy just looking at it. He held it by the base and aimed it at my mouth. Well, here goes!

It was like swallowing a whole fat sausage ... but tastier! A little salty and tangy and hot with tons of blood just under the surface. And so, so hard. He cupped the back of my head in his palm and gently pushed in and out of my mouth, all kinds of strange Russian words tumbling out from under his breath. I began to feel like some super talented, super powerful, yummy sex mistress who could make him so hard and ready with just my tongue and lips that he wouldn't possibly be able to keep from losing it in me.

But he couldn't lose it! Not yet!

I jerked back and watched his penis—slicked up with lots of my slippery saliva now—bob in front of my wide eyes while I fumbled for my phone. Don't get distracted now, girl. I checked—it had only been a few minutes. And I had to do this for a whole hour? Without just wanting him to put it inside me? I was beginning to understand the real challenge of this test.

My hot Russian buddy skimmed himself across my lips ... Mmmmm. I kissed it again, licked it up and down from the balls to the fleshy cap on top, grazed it across my whole face—soft skin and hard underneath and thick as a policeman's baton. Such a thing, a guy's penis! I wanted to keep it, have one for my very own use, always available to me.

"Oh, shit!" I pried myself away from it again. "Hold on there, bub ..."

I tried to look cool and in control while I snapped another shot of it.

Boy, would I have to pace myself or I'd just bury my face there until I made him cum in my mouth. Way before the hour was up. Wouldn't it be cool, though, to make him spurt? Me,

The smallest thing in the
world can trigger the
biggest problems!

My girlfriend can be such a bitch! Yesterday she called me a tramp just cuz I wear tight t-shirts that show off my boobies and shave my pussy nice and clean! But you know what? She's just jealous cuz her itty bitty tits aren't gonna get any bigger and she's got this crazy huge muff! That's okay, I mean some guys might like little boobies and a fucking forest between a girl's legs, but she shouldn't get mad at me! I mean, everyone's differnt, right? But, my tits and pussy are just right, don't you think?

What do you think? Isn't Ami's body just about perfect? Yeah, I thought so, too!

See what happens when you send your girlfriend's pics to us? She turns into a slut!

ARIEL

When my boyfriend sent my pics to Just 18, I was so pissed! But when they called and said they wanted me in the mag, I got so excited I let him do me up the ass that very night! But I guess that's because I'm kind of slutty, anyway. Like, I let him pop my cherry an hour after I met him. And man, after that I couldn't get enough sex! We've done it in the car and in my backyard; we even did it on my bed while my parents were downstairs! And just last night I told him I wanted to do a threesome with my best friend. He was freaked out, can you believe it? But I'm totally gonna convince him!

YOUNG BUNG 3
STARRING: JAMIE ELLE, SASHA KNOX, BAILEY, MONIQUE MADISON, ARIANA JOLLEE
DIRECTED BY: ARIANA JOLLEE
AVAILABLE FROM: MAYHEM
RUNNING TIME: 125 MINUTES

Welcome to Camp Young Bung where head counselor, Ariana Jollee has gathered some of the sexiest young sluts in the porn business for a crash course in deep throating, cock riding, and ass banging. Naturally, these girls are eager to learn, and with Ms. Jollee in charge, you can bet there's going to be plenty of non-stop fuck action.

Scene one features lovely Jamie Elle, a slender, brown-haired cutie with a bubble butt that was made for ramming. Using Bad Bob's impressive equipment as an instruction tool, Ariana guides Jamie through a messy, squelchy blowjob, and fondles her perky tits while the nubile newbie bounces her rectum on Bob's boomstick, prior to jumping in for some sphincter spearing herself and ordering her panting protégé to swallow Bob's load.

Next, Kyle Stone is asked to evaluate Monique Madison to see if she might be counselor material. Kyle's examination includes an in-depth cunt lapping, some wicked tonsil hammering, and a multi-angle bowel exploration that culminates in a messy facial.

Sasha Knox is already having her pussy

eaten by Trent T when Ariana arrives to check on her progress. Saucy Sasha is either anxious to show what she can do or is unable to control her lust because she enthusiastically sucks Trent's entire length, takes his rocket up her shitter reverse cowgirl and doggy style, then jerks his stinky stalk off on her extended tongue.

The fourth set finds Ariana and Steve French testing 19-year-old Bailey in her cabin. This time Ariana is content to sit, watch, and masturbate while Steve shoves his prick down Bailey's gullet, feverishly pumps her twat, and screws her pucker like there's no tomorrow. Since Bailey is a buxom lass, the harder Steve hammers her rear hatch, the more her boobs bounce, and when he coats those puppies in splooge, Ariana experiences a gut-wrenching climax.

After such an arousing day is it any wonder that our dedicated leader needs a good humping from Dirty Harry and Rick Masters in the finale. This clip is pure 100% Ariana filth! She smokes both cocks at once, gets double penetrated in the cowgirl and reverse cowgirl positions, and squirts three times. The money shot is an ultimately kinky piece of work. Ariana takes a branch bearing several toasted marshmallows, has the guys dump their spunk on the crispy confections, and then gobbles them up!

Who wins the gold star for best anal antics? I'm not telling. You'll have rent this bone-raising flick and find out for yourself. —Sophie

TEEN IDOL #3

STARRING: ELISHA WINTERS, JENNY HENDRICKS, LYNN PLEASANT, MICHELLE MAYLENE, MINDY
DIRECTED BY: MIKE METROPOLIS
AVAILABLE FROM: SMASH PICTURES
RUNNING TIME: 135 MINUTES

Michelle Maylene may be the hottest thing to hit the porn market since Penny Flame. This petite all natural cutie is an absolute performer when the camera light turns on. Girls take notice; Michelle has the pornstar vibe down perfectly, take notes. Enjoy it; you're watching a star in the making.

The first of five scenes has the porn natural Michelle in a very sexy outfit as she lounges in an office setting. Michelle teases the viewer as she rubs her young body. A guy gives her his cock to play with

and Michelle gives her a heart stopping blowjob. With all her clothes off, Michelle gets banged from behind and rolls on to her back for some more screwing and pussy rubbing. The guy pounds her on her back and she yelps and grunts in glee while being twisted around. Several shots of cum hit her in the mouth as she attempts to drink it all down.

Teen Mindy gets outright nasty with cocksman Dez. They feast on each other until Ben English arrives with his cock out. There's no DP but the fucking is nice and long. Both guys cum on her cute face.

Elisha Winters drops her top and has her nipples suckled as a bit of foreplay. Lying back Jenner eats her trim pussy getting her pussy nice and wet for his sch-long. After a couple of thrusts, Sascha joins in on the fun. With a pussy full of dick, Elisha wraps her lips around the other. The guys trade holes with a flourish of pussy-to-mouth. Jenner pops first all over her face and Sascha pops across her healthy butt. —Jewel

BARELY LEGAL: CORRUPTED 5

STARRING: CASSIE COURTLAND, KELLY WELLS, MIA BANGS, NADIA HILTON, TIFFANY RAYNE
DIRECTED BY: BOBBY MANILA
AVAILABLE FROM: HUSTLER
RUNNING TIME: 100 MINUTES

Love, love love this series. Hustler has the knack to give me the group of hot fucking barely legal chicks that I want to see. Bobby Manilla puts the girls through similar motions in each scene but the overall effect is never monotonous.

Nadia Hilton feels herself up and finger fucks herself as she teases the camera on a staircase. Tommy Gunn outfits her with some fetish gear and takes his time in pleasing the lady. Nadia is sultry as she gets plowed by her woodsman in a carousel of positions. A thick facial is fired into her mouth and she drinks his cum.

Mia gets the same treatment as Nadia but she takes on two cocks at the same time! Mia alternately sucks off both guys in preparation for the side splitting DP they have in store. Much to

her credit Mia fucks them back as hard as they do her. The guys trade places and Mia gets a sampling of her pussy and ass juice from their cocks.

Kurt Lockwood returns to give Cassie the fucking of a lifetime. The nubile cutie is spun upside down for a standing 69 before dropping her on his cock for some reverse cowgirl banging. Cassie is put through the ringer as Kurt unrelentingly pounds her snatch. Cassie is a quivering mess when Kurt pumps her pussy full of cum. Wisely they kept Kelly Wells for the final scene. Talon is on hand to do this porno queen right. Kelly is naturally gorgeous and she is 100% focused during the action, so when another cock joins in the fun, she doesn't miss a beat. Kelly progresses from an alternating cock sucking to double penetration with ease. Switching things up, Kelly gets an ass-to-mouth as the guys fuck her mouth and asshole. This continues with some excellent verbal taunting from all parties. Kelly's perfect ass is filled with cum and she lets it leak out into a waiting glass. Showing off her braven carnality, Kelly fucking Wells swallows the loads and licks her lips! Love this movie! —Anna

Summer

Intern
Of The
Month

Ha! This girl didn't even know how sexy she was until we got hold of her!

I can't believe I got asked to be an intern at a sex magazine! I mean, I totally don't think I'm sexy. Like, at school I'm way fat compared to all the other girls. They're all super skinny and they live on, like, gum and cigarettes. And I'm all big and curvy and round. But you know, when the photographer was shooting, he started talking about my puffy pussy and how any guy would be lucky to get a taste of it! I was so embarrassed! But it made me feel sexy, too, and so I even diddled myself for the camera. I'm pretty sure that made him excited, 'cause when we were all done, I think I saw a boner under his jeans!

Duh! You'd
have to be out
of it to not get
turned on
by those
pussy lips!

Senior Scrapbook

(continued from page 30)

with absolutely no clue how to fuck, making this older and sexy foreign guy—No! I couldn't think about it. Don't think about it!

I stood up quick and smiled at him weakly. "Just give me a minute and I'll ..." I looked back down at that gorgeous hunk of flesh and blood.

"We fuck now," he said.

This time I didn't say 'no' fast enough. That's 'cause I really was wanting to fuck now. My pussy was pulsing with a resounding yes-yes-yes, poor neglected thing. He put a hand under my dress between my legs and I remembered he'd already pulled my measly panties down. His fingers slid easily past my outer lips and in along my sopping wet slit.

Right where I wanted him ... ahhh, yes ...

"No," I breathed as I leaned into him. "I'm not supposed to." But it felt so delicious. I rubbed myself against his hand. A finger probed into me, which just about made me scream. Soft foreign phrases flew around our little hide-away, urgent fingers kept poking in and out, another hand was squeezing my tight little ass.

"Turn," he commanded.

I turned around and faced the door. Pushed out my ass toward him, positively dying for it, while all the time I was saying things like, "We're not supposed to do this, you know. Really. It's not how I'm supposed to do this," and "I'm still a virgin. I don't know why I'm still one anymore but I am and I think I was planning on staying a virgin but ... maybe ... it would be all right if..."

"You are virgin," he interrupted me. "I make you calm. Da?"

I answered "Da" without thinking and rubbed my ass against his hot erection—soooooo luscious.

He unzipped and unclipped and murmured at me in those strange words and my dress was over my head before I knew it ... it and my bra down in a pile on the floor with my panties. Now I was naked but for those thigh-highs and my heels. I felt so naughty-sexy. Sex Mistress 101. First, find an itty-bitty closet.

I pushed my ass back against him again.

With my palms flat up against the narrow door, I let him touch me all over. He smoothed over my ass cheeks, up along my spine, tugged at my hips so my ass rested smack up against his hard-on. He cupped my breasts and scraped a nail over the nipples, making me squirm. I have no idea all the things that came out of my mouth, but I was not as quiet as I should've been, that's for sure.

His penis edged between my slightly parted thighs while he reached around and fiddled with my clit. I soon knew what he meant by calm. In no time I was convulsing against his fingers and spewing all kinds of juice, moaning to high heaven. So this was an orgasm!

I felt like sobbing out loud, it felt so good. I rested my forehead on the door.

"We fuck," he said behind me, fiercer. "Now."

I was toasty warm and "calm" and dreamy and his penis was parked in all that juice, poking at my eager cherry.

"Yessss," I managed to exhale as he pushed past that barrier and all the way in. "Yes!"

"Da!" he shouted and began to thrust in and out, fast and furious. All of my calmness vanished and total action-packed blockbuster took over. Each time he entered my tight little newbie pussy, he lifted me up onto my tiptoes. I felt like I was being hoisted on a flagpole. I barely held myself steady against the door while he filled me again and again. Why I had ever waited to do this was a complete fucking mystery now.

From behind he squeezed my breasts together then gently rubbed the nipples. And kept lifting me onto my toes and showering me with his X-rated foreign nonsense. All of it kept making me want him all the more. I spread my legs wider,

my heels jammed up against the limits of the space now, and tried to take him deeper at each entry.

We made quite a racket, I'm sure, locked in that itty-bitsy place. He was pounding into me near the end and I know I squealed and cooed all the syrupy goodness I was feeling. I didn't care who heard us. I didn't give two thoughts to the pledge I was losing or the virginity I'd already lost.

I was one smitten kitten. My pussy was pleased as punch. I was going to learn Russian and make this guy come swab my decks with his mop until he couldn't see straight. Sex Mistress on duty. He was the exact right specimen of XY for me and I was going to take full advantage of him in every way, shape and form.

I'm yummy, after all. Who could refuse such a delightful nummy-yummy female like me?

When he lifted me all the way off my feet and shot his hot ju-ju all up in there deep—and after I got my breath back—I couldn't shut up with all my plans and how many times we would do it each day and each night and how much I liked his exquisitely rosy and muscular penis and plenty more.

He kissed the back of my neck to shut me up—ooooh, that was so wild!—and whispered in my ear with his super sexy man-from-across-the-ocean voice ... "We fuck."

"Da," I answered, smitten kitten purring with utter elation. "We fuck. A lot. Okay?"

His penis still semi-hard inside me, he licked my ear. "Okay." 13

Penny & Jo

These girls are so horny, they can't get enough of each other's pussies!

Doing it with a girl is way different than doing it with a guy! It's all, like, soft and squishy and stuff. And girls just know about girls. See, my girlfriend keeps a couple of fingers in my pussy while she sucks on my clit, because that's what I like best. And she knows just when to shove in a dildo! She does it right before I cum because it's awesome to have something nice and fat in my pussy when it gets all tight and squeezy. Plus she'll stick her tongue way deep in my pussy (or my asshole!) and she'll lap up my girl juice like it's strawberry syrup. And the best part is that I get to do the same thing to her!

These babes are so
yummy they make me
wish I had a squishy,
soft, suckable
